

Royal Spas Model / Jewel

Are you looking for that perfect spa to set in the corner of a room or on a deck? You found it. The Jewel is designed with a cut corner to open up more space around the spa. The cover can be ordered to open up in different directions to give flexibility to how you place the hot tub. With 37 jets, the Jewel offers a unique blend of water and air therapy. The Jewel can seat 5-6 people. Customize the massage experience to suit your mood. Stretch out in your Jewel, your arms supported on either side, massaged by palm jets in the bucket seat. A mid-sized spa with full-size punch.
